### 2022 Personal Growth Plan through Seva

Why create a personal growth plan through seva? When in alignment with your Self & Her Holiness Sai Maa, your higher faculties will be activated and you will thrive. Having clarity like a laser beam, your multidimensional self will align to that clarity and you will have maximum impact, growth and achievement in 2022.

What is one leading area of growth for you in your seva in 2022?

How might you demonstrate your leadership in the coming year?

How will I serve the community?
